MANUFACTURING

**SG48EV**

## HIGH CAPACITY, ALL-ELECTRIC

The Steel Green SG48EV is a zero-turn electric spreader/sprayer that's ready for the long haul. Its dual 25-gallon liquid tanks and 150-pound electric hopper give you the ability to tackle more in less time. Plus, it easily recharges overnight. When it comes to maintenance, there's no oil to change, and there's no risk of hydraulic failures or leaks, either. The SG48EV is also very quiet, perfect for sensitive properties and early morning applications. Plus, with a stainless steel frame and exceptional build quality, the SG48EV is built to perform and built to last.
